**SUPPLEMENTARY INFORMATION:**

**A. Purpose**

MyUSA (<https://my.usa.gov>) provides an account to users that gives them control over their interactions with government agencies and how government uses and accesses

their personal information. Users have the option of creating a personal profile that can be reused across government to personalize interactions and streamline common tasks such as filling out forms. Government agencies can build applications that can request permission from the user to access their MyUSA Account and read their personal profile.

The information in the system is contributed voluntarily by the user and cannot be accessed by the government without explicit consent of the user; information is not shared between government agencies, except when the user gives explicit consent to share his or her information, and as detailed in the MyUSA System of Records Notice (<http://www.gpo.gov/fdsys/pkg/FR-2013-07-05/pdf/2013-16124.pdf>).

The information collected is basic profile information, and may include: name, home address, phone number, gender, marital status and basic demographic information such as whether the individual is married, a veteran, a small business owner, a parent or a student.

Use of the system, and contribution of personal information, is completely voluntary.

## **B. Public Comments**

Pursuant to section 3506(c)(2)(A) of the PRA, GSA specifically solicits comments and information to enable it to:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

**C. Annual Reporting Burden**

Respondents: 10,000.

Responses Per Respondent: 1.

Total annual responses: 10,000.

Hours Per Response: .25.

Total Burden Hours: 2,500.
